☐ Paste

✗ Incorrect 0/1 Points

11. Tinoy and you are part of a project and you have been given certain responsibilities to fulfill. Tinoy being a responsible team mate completed his task on time. He always understands his role as a responsible team member and hence he flagged off his laptop issue (some technical defect) much in advance so that when the project starts his work can move seamlessly. You are also a highly responsible person and quite skilled. Your work is to liaise with one of the team members from the COE team. However, due to Poor health condition of the associate from the COE team, your work got stuck. This impacted the overall project delivery. You are empathetic towards the associate from the COE team as he stays all alone in Mumbai and hence you decided to be supportive of him. Choose the correct option from below that fits into the above situation.

☐ This situation tells us that you are a responsible person

☐ We need to make choices many times. You chose to prioritize health, relationship over work and there is no harm in it

☐ You should talk to any other team member who is close to you and seek their help

- ☐ You might be a responsible individual, however you did not display accountability. You should have looked for an alternate option when you got to know about the health issue of the team member from the COE team. Your timely action could have helped the project to get completed in time

✗ **Incorrect** 0/1 Points

12. One day a poet was requested to interpret an especially peculiar and obscure passage within one of his own poems. His response was “at the time that I was writing that particular verse, only God and myself knew its meaning. Now it is only God who knows. What does the poet mean by his answer

- ☐ The poet has forgotten the meaning of his own words
- ☐ Most people cannot understand poetry
- ☐ God is much wiser than people are

✗ **Incorrect** 0/1 Points

13. Which among the following is the second step in problem-solving

- ☐ Analyze the Problem
- ☐ Define the Problem
- ☐ Implement Solution & Review Progress

☐ Plan Action

✗ **Incorrect** 0/1 Points

14. Maki was part of a new project. She was anxious to meet new team members and experience her first job. On the first day, her manager presented her with a meeting full of tasks and responsibilities. She felt overwhelmed as she must get all of these done and was not sure where to start. What should Maki do to ease her anxiety and manage her time effectively?

☐ Take a break for 10 minutes, get back and calmly list down tasks on priority and start solving them

☐ Accept the tasks and try to delegate them to team members

☐ Seek help from a senior associate to complete her tasks

☐ Talk to the manager and explain that she is very new to the team, and it is difficult for her to handle all these responsibilities

✗ **Incorrect** 0/1 Points
